## PROFESSIONAL SUMMARY

---

Driven and multidisciplinary professional with a strong foundation in computer science, product design, front-end development, and user experience. Adept at bridging the gap between design and engineering to deliver scalable, user-centered digital solutions. Experienced in collaborating with cross-functional teams to develop, test, and deploy real-world applications. Passionate about human-computer interaction.

Accomplished technical and content writer with a proven ability to craft impactful, research-driven content across industries such as technology, construction, lifestyle, and education. Skilled in producing SEO-optimized articles, UX tutorials, educational materials, and branded content that aligns with audience needs and enhances engagement.

## WORK EXPERIENCE

---

### **Product Designer / Front-End Collaborator**

*Dev&Design Educational Program – Remote*  
*Aug 2023 – Dec 2024*

- Collaborated with a cross-functional team of 12 to build and deploy a real-world product.
- Participated in design-to-development handoffs, ensuring seamless UI implementation.
- Worked closely with engineers to troubleshoot UI bugs, optimize user flows, and maintain responsiveness across devices.
- Applied user testing feedback to improve product usability and performance.
- Built reusable design components for engineering efficiency and consistency.

### **UI/UX Product Designer**

*Uriao Tech*  
*Jan 2022 – Apr 2023*

Worked closely with the CEO and the product team to use a lean design process—research, create, test, and iterate—to prototype, design, and deliver the UI and UX experience.

### **Flovest Mobile & Web App**

*Jan 2020 – Dec 2022*  
 Lead UI/UX designer / Visual identity designer, I oversaw strategy and workflow for a design team of 14, leveraging a consistent approach to relationship building, recognition and communication to generate continuously growth-oriented performance.

### **Content Writer (Independent Contractor)**

*DG Stern Asset Project | Alicaglayan | Just English JEX & JEM Writers Guide | Meganbiz  
September 2019 – September 2023*

- Conducted in-depth research and wrote over 50 detailed articles on construction practices and industry trends for Chandler Asset Project, a South Africa-based construction company.
- Produced more than 120 SEO-focused blog articles for Meganbiz, covering business strategies, lifestyle tips, and career development, driving measurable growth in website traffic.
- Collaborated with over 50 freelance clients to deliver tailored content solutions across various industries, consistently meeting deadlines and exceeding expectations.
- Worked on over 1,000 individual content pieces, ensuring each met quality standards and client-specific requirements.
- Optimized all content for search engines, integrating targeted keywords that enhanced visibility and engagement metrics.
- Built long-term relationships with clients, contributing to repeat business and referrals.
